

Probate Notes for September 18, 2012

Probate notes are a recommendation as to the outcome of the petition. Unlike tentative rulings, they do not automatically become adopted as the order of the court. If petitioner submits a proposed order prior to the hearing and the recommendation is to grant the petition, no appearance is necessary. If you wish to continue a matter, please contact the civil division at (530) 406-6704.

**CASE: Estate of Caratachea
 Case No. CV P2 11-86
 Department 5 at 9:00 a.m.**

It is recommended to **DENY WITHOUT PREJUDICE** the first and final report and account of the administrator and petition for its settlement. The petition, filed on June 29, 2012, and the supplemental petition, filed on September 12, 2012, both state that the value of the property on hand in the estate was \$96,324.81 as of June 20, 2011. However, the declaration of Jennifer Rouse filed on August 10, 2012, states that as of that date, petitioner's counsel had not yet received any funds from the Avandia settlement. Further, petitioner fails to provide any authority to support the estate's value has ever been \$96,324.81, as reflected in the Inventory and Appraisal filed on August 10, 2012.
